CERTIFICATE UNDER 37 CFR 3.73(b)

Sir:

Kent State University, a university organized under the laws of the State of Ohio certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of an Assignment from the inventors of the patent application identified above. The Assignment was recorded in the Patent and Trademark Office on July 16, 1993, at Reel 6617, Frames 0505-0506.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to sign the Certificate on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that the statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application for any patent issuing thereon.

Respectfully submitted,

KENT STATE UNIVERSITY
